Lord, Teach Us to Pray
Luke 11.1-4; Matthew 6.9-13d

Introduction:

At the heart of believing, child-like prayer
is the assurance we'll receive from our Heavenly Father
what He's already prepared for us.

1. Communicating with our Father
2. Being part of what our Heavenly Father is doing
3. Asking for the things of this life
4. Providing us the true need of all life
5. Protecting us from sin
6. God alone is able to answer your prayers.
