Exaltation:

Glory to God in the Highest

Luke 2:14

PASTOR'S PRAYER

Almighty God, we confess this morning that you are indeed a glorious God who deserves all praise glory & honor. You are exalted and lifted up. You are the Prince of peace. Thank you. We thank you for coming & dwelling with us, Immanuel. That we may be a people not cut off and in turmoil but through Jesus Christ we are a people who have been given peace forevermore. I pray, Father, that your Word will go forth this morning to triumph in our hearts of doubt, struggle, conflict and busyness. Lord, cause our eyes to long for the glory which have made them and that our hearts will desire the peace that you have given to us in Christ. We ask for these things for your name's sake. Amen & Amen.
