**Romans 1:28** And even as they did not like to retain God in [their] knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;

**Romans 1:29** Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,

**Romans 1:30** Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents,

**Romans 1:31** Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:

**Romans 1:32** Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

**1 John 2:18** Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.

**1 John 2:22** Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son.

*Friedrich Nietzsche (1844-1900).* \*Nietzsche was a remarkable example of a man who *fully adopted* Darwinist principles. He wrote books declaring that the way to evolve was to have wars and kill the weaker races, in order to produce a “*super race*” (\**T. Walter Wallbank and \*Alastair M. Taylor, Civilization Past and Present, Vol. 2, 1949 ed., p. 274*). \*Darwin, in *Origin of the Species*, also said that this needed to happen. The writings of both men were read by German militarists and led to World War

**I. \*Hitler valued both Darwin's and Nietzsche's books. When Hitler killed 6 million Jews, he was only doing what Darwin taught.**

**Adolf Hitler (1889-1945) was chancellor of Nazi Germany from 1933 to 1945. He carefully studied the writings of \*Darwin and \*Nietzsche. Hitler's book, *Mein Kampf*, was based on evolutionary theory (\*Sir Arthur Keith, *Evolution and Ethics*, 1947, p. 28). The very title of the book ("My Struggle" [to survive and overcome]) was copied from a Darwinian expression. Hitler believed he was fulfilling evolutionary objectives by eliminating "undesirable individuals and inferior races" in order to produce Germany's "Master Race" (\*Larry Azar, *Twentieth Century in Crisis*, 1990, p. 180). (Notice that the "master race" people always select the race they are in as the best one.) "Our own generation has lived to see the inevitable result of evolutionary teaching—the result that Sedgwick foresaw as soon as he had read the *Origin*. Mussolini's attitude was completely dominated by evolution. In public utterances, he repeatedly used the Darwinian catch- words while he mocked at perpetual peace, lest it hinder the evolutionary process**

**In Germany, it was the same. Adolf Hitler's mind was captivated by evolutionary teaching—probably since the time he was a boy. Evolution- ary ideas quite undisguised—lie at the basis of all that is the worst in *Mein Kamp* and his public speeches."— *R.E.D. Clark, Darwin: Before and After (1948), p. 115.***

**Hitler had a great appreciation for the eugenics movement. He wrote letters of praise to Leon Whitney, president of the**

**American Eugenics Society, as well as to Madison Grant, author of *The Passing of the Great Race*. Hitler called Grant's book "his Bible" (Black, p. 259). In *Mein Kampf* ("My Struggle"), Hitler proposed his own program to "eliminate the germs of our physical and spiritual decay." He said, " the demand that defective people be prevented from propagating equally defective off spring is a demand of the clearest reason and, if systematically executed, represents the most humane act of mankind."**

**“In page after page of *Mein Kampf*’s rantings, Hitler recited social Darwinian imperatives, condemned the concept of charity, and praised the policies of the United States and its quest for Nordic purity. Perhaps no passage better summarized Hitler’s views than this from chapter 11: ‘ the Germanic inhabitant of the American continent, who has remained racially pure and unmixed, rose to be master of the continent; he will remain the master as long as he does not fall a victim to defilement of the blood” (Black, *War Against the Weak*, p. 275).**

**In the first decade of Hitler’s regime, American eugenicists praised him.**

**“During the Reich’s first ten years, eugenicists across America welcomed Hitler’s plans as the logical fulfillment of their own decades of research and RePort. Indeed, they were envious as Hitler rapidly began sterilizing hundreds of thousands and systematically eliminating non-Aryans from German Society. is included the Jews. Ten years after Virginia passed its 1924 sterilization act, Joseph DeJarnette, superintendent of Virginia’s Western State Hospital, complained in the *Richmond Times-Dispatch*, ‘ the Germans are beating us at our own game.’**

**“Most of all, American raceologists were intensely proud to have inspired the purely eugenic state the Nazis were constructing. In those early years of the third Reich, Hitler and his race hygienists carefully crafted eugenic legislation modeled on laws already introduced across America, upheld by the Supreme Court and routinely enforced. Nazi doctors and even Hitler himself regularly communicated with American eugenicists from New York to California, ensuring that Germany would scrupulously follow the path blazed by the United States” (Black, p. 277).**

**Hitler conducted his eugenic program of racial purification with the assistance of IBM’s Hollerith data processing machines. In 1934, IBM opened a million-dollar factory in Berlin to manufacture the machines. “At the factory opening, the manager of IBM’s German subsidiary, Willi Heidinger, spoke vividly about**

what IBM technology would do for Germany's biological destiny" (Black, p. 309).

Standing next to IBM president Thomas Watson's personal representative, surrounded by Swastika flags and SS Storm Troopers, Heidinger made the following sick idolatrous statement:

"We are proud that we may assist in such task, a task that provides our nation's Physician [Hitler] with the Material he needs for his examinations. Our Physician can then determine whether the calculated values are in harmony with the health of our people. It also means that if such is not the case, our Physician can take corrective procedures to correct the sick circumstances. ... Our characteristics are deeply rooted in our race. therefore, we must cherish them like a holy shrine, which we will--and must--keep pure. We have the deepest trust in our Physician and will follow his instructions in blind faith, because we know that he will lead our people to a great future. Hail to our German people and *der Fuhrer!*"

"As the Hitler regime took each step in its war against the Jews and all of Europe, IBM custom-designed the punch cards and other data processing solutions to streamline those campaigns into what the company described as 'blitzkrieg efficiency.'"

Arthur Keith, British anthropologist and co-discoverer of Piltdown Man, defended Hitler on the ground of evolutionary philosophy. He wrote, " the German Fuhrer, as I have consistently maintained, is an evolutionist; he has consciously sought to make the practices of Germany conform to the theory of evolution" (*Evolution and Ethics*, p. 28).

In his presidential address to the American Historical Association in 1918, William Roscoe Ayer stated:

"I do not believe that the atrocious war into which the Germans plunged Europe in August, 1914, and which has subsequently

involved all lands and all people, would ever have been fought, or at least would have attained its actual gigantic proportions, had the Germans not been made mad by the theory of the survival of the fittest” (Weikart, p. 163).

**William Jennings Bryan the defender of creation at the scopes monkey trial stated this :**

**He said that the German philosopher Nietzsche, with his doctrine of “might is right,” “carried Darwinism to its logical conclusion.” Nietzsche named Darwin as one of the three great men of his century. Bryan quoted an editorial that appeared in the Paris paper *L’Univers* in 1900 as follows:**

**“ the spirit of peace has fled the earth because evolution has taken possession of it. the plea for peace in past years has been inspired by faith in the divine nature and the divine origin of man; men were then looked upon as children of one Father and war, therefore, was fratricide. But now that men are looked upon as children of apes, what matters it whether they are slaughtered or not?” (*In His Image*, p. 124).**

***In the Nazi Doctor: Medical Killing and the Psychology of Genocide*, Robert Lion explains how Darwinist Ernst Haeckel’s racism and devaluation of life resulted in the destruction of conscience among Nazi doctors.**

**“Haeckel embraced a widely held nineteenth-century theme ... that each of the major races of humanity can be considered a separate species. ... Haeckel went so far as to say, concerning these ‘lower races’ (‘wooly-haired’ Negroes), that since they are ‘psychologically nearer to the mammals (apes and dogs) than to civilized Europeans we must, therefore, assign a totally different value to their lives” (p. 125).**

**A direct line runs from Darwin through the father of the Eugenics Movement Darwin’s Cousin Francis Galton to the extermination camps of Nazi Europe-Martin Brookes Ripe Old Age.**

**“Adolph Hitler reiterated the same philosophy of life derived from the theory of evolution when he said, ‘The whole of nature is a continuous struggle between strength and weakness, and eternal victory of the strong over the weak.’—H. Enoch, *Evolution or Creation* (1966) pp. 147-148.**

**The undesirables had to be eliminated.**

**“During the 1930s, Adolf Hitler believed he was carrying Darwinism forward with his doctrine that undesirable individuals (and inferior races) must be eliminated in the creation of the New Order dominated by Germany’s Master Race.”—\*R. Milner, *Encyclopedia of Evolution* (1990), p. 119.**

Specialists in Hitlerian studies note that **\*Hitler hated Christianity as fiercely as he loved Darwin’s theory. But that is understandable, for the two are as different as day and night.**

**“[Hitler] stressed and singled out the idea of biological evolution as the most forceful weapon against traditional religion and he repeatedly condemned Christianity for its opposition to the teaching of evolution . . . For Hitler, evolution was the hallmark of modern science and culture, and he defended its veracity as tenaciously as Haeckel.”—\*Daniel Gasman, *Scientific Origins of Modern***

***Socialism: Social Darwinism in Ernst Haeckel and the German Monist League* (1971), p. 188.**

**\*Hitler said this:**

**“I regard Christianity as the most fatal, seductive lie that has ever existed.”—\*Adolf Hitler, quoted in \*Larry Azar, *Twentieth Century in Crisis* (1990), p. 155. “This doctrine of racial supremacy Hitler took at face value . . . He accepted evolution much as we today accept Einsteinian relativity.”—\*Larry Azar, *Twentieth Century in Crisis* (1990), p. 180.**

**\*Hitler’s fascination with Darwinian thinking went back to his childhood.**

**“Adolf Hitler’s mind was captivated by evolutionary thinking—probably since the time he was a boy. Evolutionary ideas, quite undisguised, lie at the basis of all that is worst in *Main Kampf* and**

**in his public speeches. A few quotations, taken at random, will show how Hitler reasoned . . . [\*Hitler said:] ‘He who would live must fight; he who does not wish to fight, in this world where permanent struggle is the law of life, has not the right to exist.’**—\**Robert E.D. Clark, Darwin: Before and After (1948), p. 115.*

**“During the German Third Reich (1933-1945), the ideal of Aryan purity and supremacy became that nation’s official policy. Adolph Hitler’s program of herding ‘inferior’ races into concentration camps and gas chambers was rationalized as making way for the new order of superior humanity. Meanwhile, S.S. officers were encouraged to impregnate selected women under government sponsorship to produce a new ‘master race’—an experiment that produced a generation of ordinary, confused orphans.**

**However, when Hitler needed the Japanese as allies in World War II, he promptly redefined those Asians as ‘Honorary Aryans.’**—\**R. Milner, Encyclopedia of Evolution (1990), pp. 25-26*

**The “science” of eugenics was a major emphasis of the late-19th and first half of the 20th centuries. \*Adolf Hitler used it so successfully, that it fell into disfavor after World War II. The glorious promise of eugenics was that humanity would be wonderfully improved if certain races, the elderly, and certain others were eliminated. The inglorious results were the death camps of Germany and Poland, where Hitler exterminated six million people because they did not conform to his standard of eugenics. Eugenics was but another gift of the Darwinists to the world:**

**Remember the point of telling you and showing you what hitlers religion was- starting with evolution is this - that evolution is a gateway to the occult and its practices. When I deny the God of the Bible I must by default search and find another power another god , and whatever you call that god it is Satan the god of this world who hath blinded the minds of them that are lost**

**Romans 1:21 Because that, when they knew God, they glorified [him] not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.**

**Romans 1:22** Professing themselves to be wise, they became fools,

**Romans 1:23** And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

**Romans 1:24** Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

**Romans 1:25** Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

## **HITLERS REAL RELIGION -THULE SOCIETY-WITCHCRAFT**

- 1. Germany has long been a centre for esoteric thinking and the secret societies this knowledge seems to spawn. It was from this philosophical stream that Hitler and his crazed followers would emerge. One of the pre-Hitler 'prophets' was the composer, Richard Wagner, in the nineteenth century. His composition, The Ride Of The Valkyries, captures his obsession with the invading powers of evil. Wagner declared the imminent arrival of the Master Race. His work, The Ring, was the musical expression of his belief in German supermen bestriding the world stage like the ancient pagan gods Wotan and Thor. Hitler would later say that to understand Nazi Germany, one had to know Wagner. One of the students of master race fanatic Wagner was Gustav Mahler, whose studies with Wagner were funded by Baron Albert de Rothschild.**
- 2. The esoteric was to become a consuming passion for Hitler, especially in his rise to power. He was strongly influenced by the work of Helena Petrovna Blavatsky, who was born in the Ukraine in 1831. Some researchers claim she had connections with the secret society of Italian revolutionaries, the**

**Carbonari, who were closely linked to the Black Nobility, and she was a member of the Egyptian society, the Brotherhood of Luxor, which she later denounced as "a den for disgusting immorality, greediness for selfish power, and money making". Madame Blavatsky arrived in New York in 1873 and, with the help of a Colonel Henry Olcott she founded the Theosophical Society two years later. This is still around today. Its doctrines are based on Blavatsky books such as Isis Unveiled, which was written in 1877, and The Secret Doctrine, published in 1888. She claimed to be in psychic contact with Hidden Masters or Supermen. These Hidden Masters, she said, lived in Central Asia and could be contacted telepathically by those who knew the secrets to the esoteric mysteries. Today we call this process of communication 'channelling'.**

- 3. Another big influence on Hitler was the novel, The Coming Race, by the Englishman, Lord Edward Bulwer-Lytton (Committee of 300), a British Colonial Minister heavily involved in imposing opium addiction on the Chinese. He was a close friend of (Benjamin) Disraeli and Dickens, and Grand Patron of the English Rosicrucian Society which included Francis Bacon and John Dee in its earlier membership. Bulwer-Lytton is best known for his work, The Last Days Of Pompeii, but his passion was the world of esoteric magic and, as a British colonial minister, for running opium to the Chinese. In The Coming Race, he wrote of an enormous civilisation inside the Earth, well ahead of our own. They had discovered a power called Vril which, by the use of the psyche, could be used to perform 'miracles'. These underground supermen would, according to Bulwer-Lytton's novel, emerge on the surface one day and take control of the world. Many Nazis believed this. Lord Bulwer-Lytton is often referred to by Madame Blavatsky in her book, Isis Unveiled. The themes of underground supermen or hidden masters can be found in most of the esoteric secret societies. Certainly this was true of The Order of the Golden Dawn, one of the Order's secret signs was the salute which the Nazis would use when saying "Heil**

**Hitler". The esoteric foundations on which Nazism was created continued to build.**

- 4. Other significant esoteric thinkers and groups which influenced the gathering Nazi philosophy included the Order of the Oriental Temple(OTO), which used sex as part of its rituals to create and harness the energy known as the vril, and two German esoteric 'magicians', Guido von List and Lanz von Liebenfels. In his summer solstice celebrations, List used wine bottles on the ground to form the symbol of the Hermetic Cross, also known as the Hammer of Thor. It was the Badge of Power in the Order of the Golden Dawn, and we know this symbol as the swastika. Lanz von Liebenfels (real name Adolf Lanz) featured the swastika on the flag which flew over his 'temple' overlooking the Danube, and for these two black magicians it symbolised the end of Christianity and the dawning of the age of the Aryan supermen. They believed in the racial inferiority of those they called the "dark forces" such as the Jews, the Slavs, and the Negroes. Liebenfels recommended castration for these peoples. The two vons, List and Liebenfels, were to have a massive influence on Adolf Hitler. In 1932, with Hitler on the verge of power, von Liebenfels would write to a fellow believer:**
- 5. "Hitler is one of our pupils...You will one day experience that he, and through him we, will one day be victorious, and develop a movement that will make the world tremble..."<sup>4</sup>**
- 6. Hitler was also influenced by Crowley through the OTO**
- 7. Crowley welcomed the First World War as necessary to**
- 8. sweep away the old age and usher in the new one. After going public with his revelations, Crowley was made the world head of the Germany-based Order of the Oriental Temple (OTO) and this gave him very significant influence among like thinkers in Germany.**

- 9. Kaiser Wilhelm II and Adolf Hitler said Chamberlain was a prophet.**
- 10. Chamberlain became the principal advisor to Kaiser Wilhelm and urged the king to go to war in 1914 to fulfil the prophecy of Germany's world domination. When the war was over and Wilhelm had abdicated to an estate in Holland, he realised how he had been manipulated. He gathered together a mass of books on the occult and the German secret societies and he was convinced that they had conspired to create the First World War and cause Germany to be defeated. Chamberlain, who had been awarded the Iron Cross by the Kaiser, died in 1927 after years in a wheelchair, broken in body and spirit. But his influence was to live on in the mind of Adolf Hitler. Chamberlain, incidentally, was introduced to Hitler by Alfred Rosenberg, the refugee from Russia, and another satanist figure. It was Rosenberg, despite his Jewish background, who gave a copy of the Protocols Of The Learned Elders Of Zion to Hitler via another occultist, Dietrich Eckart.<sup>6</sup>**
- 11. He spent hours in the libraries reading books on astrology, mysticism, and the religions of the East. He was fascinated by the books of Blavatsky, Chamberlain, List, and Liebenfels. He picked out bits from each of them to produce his preferred mixture, a cocktail of horror and hatred that would manifest as Nazism. His passion was the power of the will. The**
- 12. potential of willpower to achieve anything it desires was to be his focus and guide throughout the years that followed. Put another way, creating your own reality.**
- 13. He practised the esoteric arts in his effort to access the level of consciousness he was convinced would turn him into one of the supermen he had read so much about and believed in so much. He was possessed, probably during some black esoteric**
- 14. ritual which opened his psyche to the malevolent vibration. It was now that an uncharismatic and ineffectual man would**

**begin to exude the charisma and magnetism that would captivate and intoxicate a nation.**

- 15. "His power to bewitch an audience has been likened to the occult arts of the African**
- 16. Medicine-man or the Asiatic Shaman; others have compared it to the sensitivity of a medium, and the magnetism of a hypnotist."**<sup>7</sup>
- 17. And Herman Rauschning, an aide to Hitler, said in his book, Hitler Speaks: "One cannot help thinking of him as a medium. For most of the time, mediums are ordinary, insignificant people. Suddenly they are endowed with what seem to be 210 .. .and the truth shall set you free supernatural powers which set them apart from the rest of humanity. The medium is possessed. Once the crisis is past, they fall back again into mediocrity. It was in this way, beyond any doubt, that Hitler was possessed by forces outside of himself - almost demoniacal forces of which the individual named Hitler was only the temporary vehicle. The mixture of the banal and the supernatural created that insupportable duality of which one was conscious in his presence...It was like looking at a bizarre face whose expression seems to reflect an unbalanced state of mind coupled with a disquieting impression of hidden power."**<sup>8</sup>
- 18. Rauschning told how Hitler suffered from terrible nightmares and would wake in terror screaming about entities who were invisible to all, but him. He once said to his aide:**
- 19. "What will the social order of the future be like? Comrade, I will tell you. There will be a class of overlords, after them the rank and file of the party members in hierarchical order, and then the great mass of anonymous followers, servants and workers in perpetuity, and beneath them again all the conquered foreign races, the modern slaves. And over and above all these will reign a new and exalted nobility of whom I cannot speak...But of all these plans the militant members**

**will know nothing...The new man is living amongst us now!  
He is here. Isn't that enough for you? I will tell you a secret.**

- 20. I have seen the new man. He is intrepid and cruel. I was afraid of him.**
- 21. After Hitler moved to Germany, he spent a lot of time in Bavaria, from where**
- 22. Weishaupt's Illuminati had sprung, and he returned there in 1918 after fighting in the war. Or at least that's the official line. The following year, he came across a tiny**
- 23. and rather pathetic political party called the German Workers Party. This was an offshoot of an esoteric secret society called the German Order, which was fiercely nationalistic and anti-Jewish. Out of this Order came other similar societies, including the infamous Thule Society. Thule was supposed to be an ancient lost civilisation of Nordic people with blond hair and blue eyes. Yet another foundation of the Nazi belief system can be seen to have an esoteric origin, as did the swastika, the Hitler salute, the idea of an Aryan Master Race, and the view of Jews.**
- 24. A founder of the Thule Society was Rudolf Glauer, an astrologer, who changed his name to the grand sounding Baron von Sebottendorff. His demands for a revolution against Jews and the Marxists turned the Thule Society into a focus for the anti-Jew, anti-Marxist, German Master Racers. Out of all this came the German Workers Party, which would one day become the Nazi Party.**
- 25. Another committed occultist and friend of Sebottendorff now becomes highly significant. This was Dietrich Eckart, a heavy-drinking, drug-taking writer who believed he was here to prepare the way for a dictator of Germany. He met Hitler in**
- 26. 1919 and decided he was the one, the 'Messiah', he was looking for. It is Eckart who is credited with Hitler's advanced esoteric knowledge and probably the black magic ritual, or rituals,**

**which plugged him so completely into the Prison Warder vibration(devils). From now on, Hitler's power to attract support grew rapidly. Eckart**

**27.wrote to a friend in 1923:**

**28."Follow Hitler! He will dance, but it is I who have called the tune. We have given him the means of communication with Them. Do not mourn for me: I shall have influenced history more than any other German."10**

**29.Hitler was also a member of another esoteric secret society, the Luminous Lodge or Vril Society. Vril was the name given by the English writer, Lord Bulwer Lytton, to the force which, he claimed, awakens people to their true power and potential to become supermen. In 1933, the rocket expert, Willi Ley, fled from Germany and revealed the existence of the Vril Society and the Nazis' belief that they would become the equals of the supermen in the bowels of the Earth by use of esoteric teachings and mind expansion. They believed this would reawaken the vril force sleeping in the blood. The initiates of the Vril Society included two men who would become infamous Nazis, Heinrich Himmler and Hermann Goering. Vril members were convinced they were in alliance with mysterious esoteric lodges in Tibet and one of the so called Unknown Supermen, who was referred to as The King of Fear.**

**30.Rudolph Hess,11 Hitler's Deputy Fuhrer until he made his ill-fated flight to England in 1941, was a dedicated occultist and a member, with Hermann Goering, of the Edelweiss Society, a black sect which believed in the Nordic Master Race(Melchedekans?). Hess worshipped Hitler as The Messiah, although how he could do this when the Fiihrer was hardly blue eyed and blond haired, is not clear. Hitler had the same problem in equating the two, but he would have found some ridiculous explanation for it, I'm sure.**

**31. Another Hitler obsession was the so called Spear of Destiny, the weapon alleged to have been use to pierce the side of**

**Y'shua (Jesus) at the crucifixion. He stole what was claimed to be the spear when the Nazis annexed Austria in 1938, and it was taken to Nuremberg. The legend says that whoever has the spear and decodes its secrets will have control of the world for good or evil. The one that Hitler stole is now in the Hofburg Museum in Vienna, where there was a major fire in November 1992, seven days before the blaze which destroyed part of Windsor Castle.**

- 32. Another obsessive occultist in the Third Reich was Heinrich Himmler. He was into all matters esoteric and he used his knowledge in the blackest of ways. He was particularly interested in the rune stones, a system of divination in which stones carrying symbols are thrown or selected and the choice or combination 'read' by an 'expert'. It was Himmler who formed the notorious SS and, as with the swastika, he chose an esoteric symbol for his horrific organisation: the double S or 'sig' rune, which looks like two flashes of lightning. The SS was a virtually self-contained body and the epitome of all of the esoteric knowledge in which the Nazis believed so passionately. Only those considered racially pure were allowed to join, and instruction in the esoteric arts, including the rune stones, was fundamental to their training. The SS was run and governed as a black magic secret society. Their rituals**
- 33. were taken from others such as The Jesuits and The Knights Templar. The highest ranking initiates were the thirteen members of the Grand Council of Knights (led by**
- 34. their Grand Master, Heinrich Himmler), and the black rituals were performed at the ancient castle of Wewelsberg in Westphalia. They celebrated the festivals of the Nordic pagans and the summer solstice. Here they worshiped Satan, Lucifer, Set, whichever name you prefer, the consciousness which was the Nazis and is the Elite today. Prince Bernhard, one of the founders of the Bilderberg Group, was in the SS.**
- 35. Hitler used magical ceremonies, pendulums and many other things**

**36.**The original swastika symbol was right-handed which, in esoteric terms, means light and creation, the positive. Hitler insisted it be turned around to symbolise black magic and destruction. The mass rallies that Hitler used so effectively were designed with the knowledge of the human psyche and how it can be manipulated.

**37.** This proves that if you deny the God of the bible you will sacrifice to devils and follow the religion of antichrist
