

# **“The Lord Builds His House of Worship”**

**Ezra 5-6**

## **Introduction:**

**Proposition:** God sovereignly rules over the hearts and minds of men to complete the work of building a house of worship. He continues to rule over all things for His glorious purposes today as He has in the past. Take heart, rise up and fulfill the task that our Lord Jesus Christ has given us, namely to proclaim His gospel and to disciple the nations until all His chosen race have been gathered together in His house of worship.

**I. He is in control**

**II. His house of worship is built**

**III. His people worship their sovereign Lord**

## **Conclusion:**
