VI. REWARDS FOR FAITHFULNESS AND SERVICE - MANY PARABLES ON ACCOUNTABILITY

A. Works by covenanted people are examined and rewarded by the LORD Matt 25:14-30

- 1. Only given to His servants, those identifying with His household, in His covenant, Israel and those converting to it, claiming the exceptionalism of being a part of the covenant*
- 2. The church has already been judged at the judgment seat of Christ: the righteous standard was the same, but the object was different*
- 3. From the beginning the standard has been faith followed by stewardship with what one was given; faith made one a servant of God; stewardship is the work of a servant of God*
- 4. The standard is not in comparison to others but how one handled what he had been given*
- 5. Work: faithful in what one is given; reward: faithful in little, faithful in much*

B. Foolish stewardship or wicked stewardship was proof of no faith in the Master, therefore a false servant and not a part of the Master's household

- 1. How can one identify with the Master's household and be cast out to outer darkness?*
- 2. All those not in the household perish eternally; to be judged at the Great White Throne*
