

## **Equipping the Saints**

**I. A wrong view of man leads to failure and discouragement.**

A. You must be careful how you view others.

B. You must be careful how you view yourself.

**II. A right view of man leads to repentance and hope.**

A. Your problem begins with your flesh.

B. Your solution begins with submission.

### **Take Time to Reflect:**

- **Why is it impossible to genuinely help someone by encouraging him to feel good about himself?**
- **When are you most prone to raise a clenched fist to God and demand your own way?**
- **How does your heart most often deceive you?**
