

The

REVELATION

of Jesus Christ

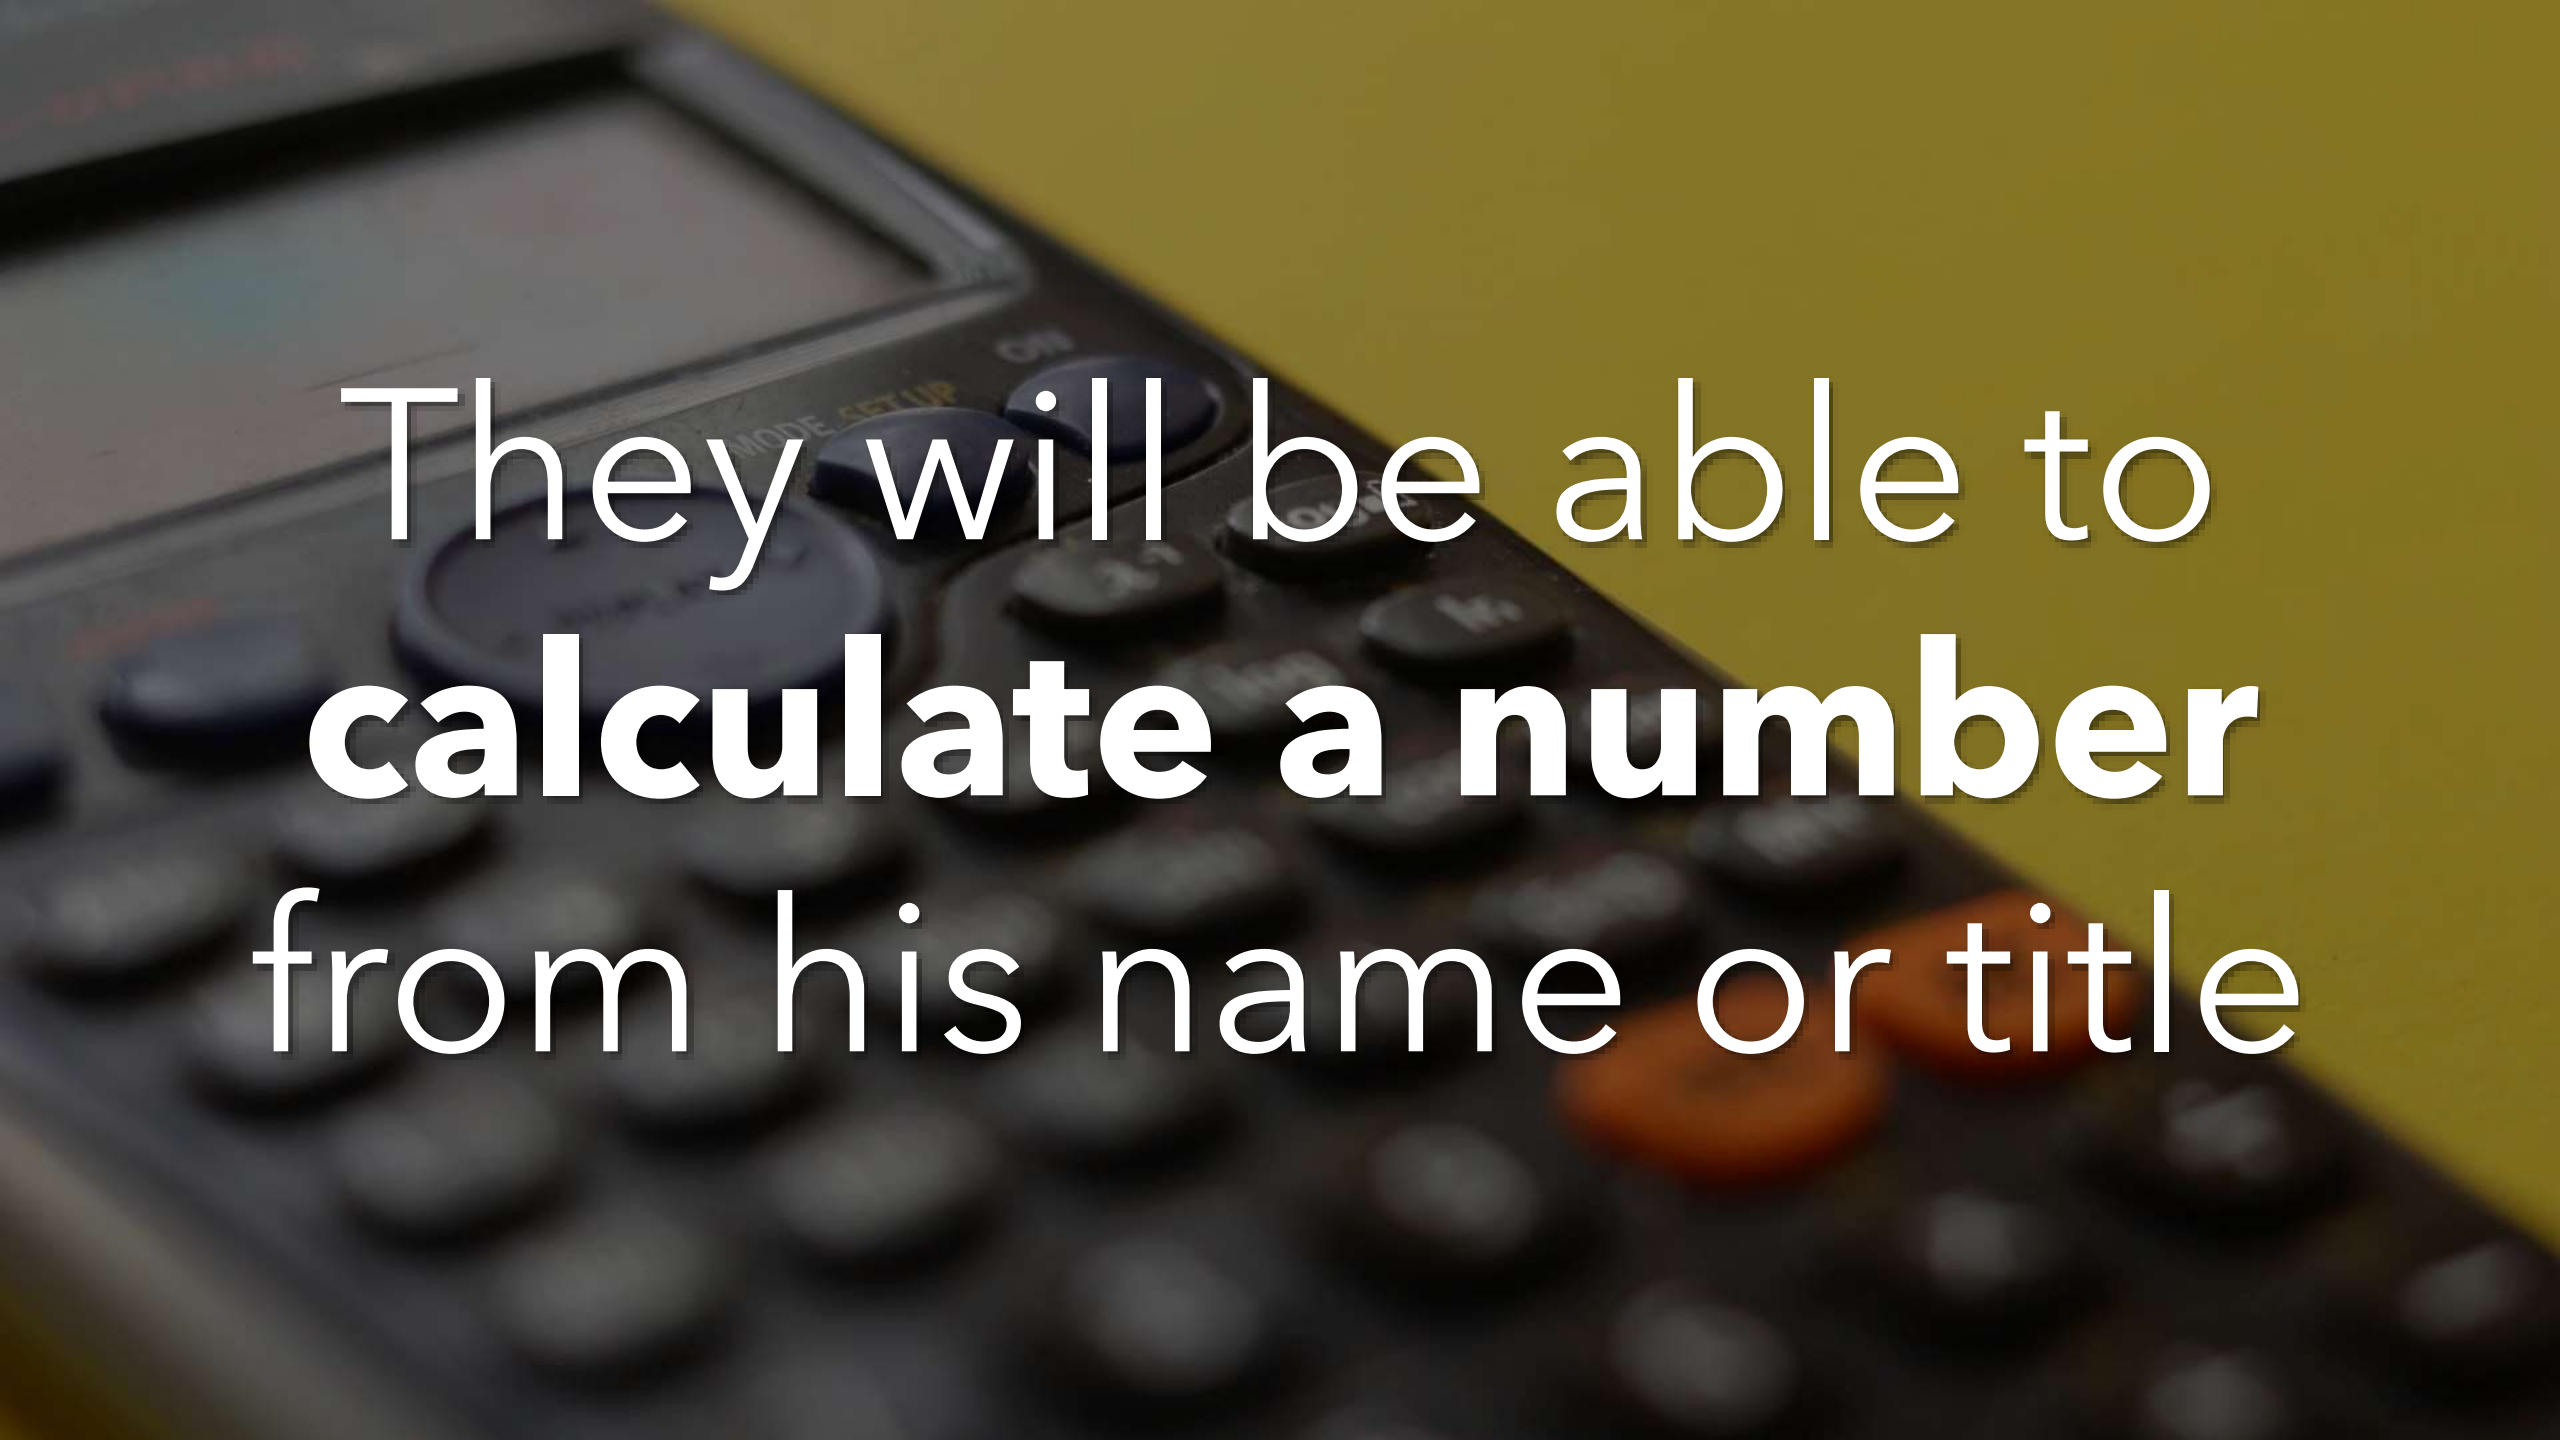

This false prophet will
persuade people to
worship the Antichrist

He will introduce the
“mark of the beast”
to the world

This mark will equip
God's people to
identify the Antichrist

They will be able to
calculate a number
from his name or title

This number will be the
number of a man not
the “number of man”

Don't let even the most
impressive people lure
you away from Christ

When loyalty to Christ
& economic prosperity
collide, **choose Christ**

Don't superimpose
Tribulation features
onto **world news** today

The **objective**
guidance of Scripture
equips us to avoid the
strongest deceptions
