

LOVE SPEAKS SWEETLY!

JOEY FAUST (3-23-22)

Genesis 34:1 And Dinah the daughter of Leah, which she bare unto Jacob, went out to see the daughters of the land.

Genesis 34:2 And when Shechem the son of Hamor the Hivite, prince of the country, saw her, he took her, and lay with her, and defiled her.

"Young persons, especially females, are never so safe and well off as under the care of pious parents. Their own ignorance, and the flattery...of...wicked people, who are ever laying snares for them, expose them to great danger...Those parents are very wrong who do not hinder their children from needlessly exposing themselves to danger....See what came of Dinah's gadding. The beginning of sin is as the letting forth of water. How great a matter does a little fire kindle! We should carefully avoid all occasions of sin and approaches to it."
