

Lesson #1 – Introduction

Introduction:

Question #1: Why _____ Pneumatology?

We do not need to _____ more of Him, but we desperately need to _____ more of Him, and with the increased knowledge will come added faith, power, and control in our lives.

Question #2: What is Pneumatology?

Question #3: What did _____ say about the Holy Spirit?

Question #4: Why is there so much _____ surrounding this doctrine?

“Men in the pulpits would preach and teach this great line of doctrine had they themselves been so taught, and none can measure the loss in practical daily living on the part of the people of God that has come about by the withholding of these truths from them.” – Chafer, *“Systematic Theology”*, pg. 5.
