

PETER'S FALL AND RISE

III. Peter Transformed

Acts 4:8-12

- Bragging when he should have been listening
- Sleeping when he should have been praying
- Fleeing when he should have been staying
- Denying when he should have been confessing

And he was so sure he would never be that way. Wept bitterly

And then transformed! From coward to bold as lion:

1. Pentecost crowd
Acts 2:22-23, 36, 38

2. Before same Sanhedrin
Acts 4:8-12, 19-20
Back to other believers to pray for boldness (not safety or protection or easy life)
