“Peek-A-Book, I See you!”

Revelation 6: 9-11

1. The martyr’s personal history on earth **carries** over to their existence in Heaven.
2. There is **unity** and shared common perspective in Heaven.
3. They **remember** what happened on Earth (including the fact that they were murdered).
4. They continue to ask God **questions** and seek to understand.
5. They must have some kind of **physical** body.
6. Those in intermediate Heaven continue to anticipate the **future** fulfillment of God’s promises.

A Closer Look: We will **remember** life on Earth after we die.

2 Corinthians 5: 10; Matthew 12: 36

A Closer Look: Because we will be held accountable for things we may have forgotten today, presumably our **memory** will be far better.

Malachi 3: 16; Mark 9: 41

A Closer Look: People in the intermediate Heaven may **see** what is happening on Earth.

1 Corinthians 4: 9; Luke 15: 7, 10

A Closer Look: The saints are **praying** for those who are still on Earth.

Revelation 5: 8; Acts 9: 4-5; Revelation 21: 4
