

Message Title: 1108 Fearfully & Wonderfully Made, the Ear Pt-12

Theme: Here we open with Jonathan Edward's writing of what God had revealed to him of His glory. Then we continue the study of our miraculous ears as we move into such intricacy and complexity that it is hard to believe that all the sub-microscopic materials in our bodies came from only two cells that divided and changed until they became over 200 different types of material appearing in the exact right places and at the right time and in the right amount and connected to the right cell next to it.

In Jonathan Edward's short writing on the glory of God we should begin to wonder why there is such a void on this all important subject. We know that everything we do as believers, including eating and drinking is to be done to the glory of God. So where are the messages that instruct us how to do it? If God asked us to write down all we do for His glory the list would almost certainly be about what we have done for Him and for others. This may help build churches by encouraging members to lay up treasures but it has nothing to do with glorifying God. It would however glorify those who wrote the list. The glory of God existed before us and always will, it's not about us.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is to know what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly it has been a life changing experience as God increases and we, without trying, decrease.
