# Application Questions

*These questions are provided for your further study and application of the sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of the study. It is also helpful when you are able to discuss your answers with others.*

1. Read **James 3:17**. What on this list do you find the most attractive when you see it demonstrated in some of the wise Christians in your life? What are some of the practical ways this aspect of wisdom is put on display?
2. Read **Proverbs 8:1-11**. What specific steps can you take to always remember the value of biblical wisdom? Why is the pursuit of wisdom so needed at this point in your life?
3. Read **2 Corinthians 12:20** and **James 3:14-16**. What kind of damage does this kind of “earthly wisdom” cause both within the body of Christ, and as it relates to the reputation of the church?
4. Read **James 1:5-8** and **1 Kings 3:7-10**. How can you make it your practice to regularly ask for God’s wisdom, without it becoming a rote recitation of a mindless prayer each day?
5. Read **Galatians 5:16-26**. What strikes you as you read this familiar passage? What will you do about the aspect of this text that impressed you as you thoughtfully read this important section of God’s word?
