Application Questions

These questions are provided for your further study and application of the sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of the study. It is also helpful when you are able to discuss your answers with others.

1. Read **2 Thessalonians 1:11-12**. What are some of the things you think of when you think of resolving to do good works? List a few things you know you ought to strongly commit yourself to doing this month which are in keeping with God's will.
2. Read **1 Peter 1:13-19**. What would you say to a Christian who says he is not all that concerned about living a righteous life because no one is perfect and God is forgiving?
3. Read **Hebrews 10:19-22**. How would you describe the privilege of prayer, and how should that impact your prayer life?
4. Read **Romans 12:3-8** and **1 Corinthians 12:14-21**. Why is it so important that every last Christian in the church be involved in benefiting the body of Christ in some practical way? What do you imagine is the percentage of Christians in a church who take their ministry role seriously? What is at stake if the church has a large proportion of people who are not good stewards in this regard?
5. Read **Revelation 11:15-17**. How might never thinking of this future reality negatively impact your efforts and sacrifice to make your church strong? What will you do to attempt to regularly keep the ultimate eschatological destination in view?
