

PANDEMIC WORLDVIEW

Government: Quarantine, Work & Life
Leviticus 13:4-6; Deuteronomy 24:6

Mac Williams, Pastor
June 21, 2020

1. The Bible's priority on life can be seen through the basic _____ principles it teaches.

- a. The Bible encourages _____.
- b. The Bible encourages _____.
- c. The Bible allows for _____ of quarantine.

2. The Bible's priority on life can be seen in the importance of everyday _____.

- a. God ordained that man should work for the purpose of making all things _____ to His glory.
- b. There will be many difficulties and frustrations associated with work because of _____.
- c. To take away a person's means of making a living is to take away their _____.

3. The Bible's priority on life makes it clear that _____ of life is of the highest importance.

- a. Because _____ is holy, He commands all people to be separated from sin and consecrated to Him.
- b. The call to holiness is a call to be _____ to the filthiness of flesh and of spirit.

"This basic idea that everything is divided between clean and unclean as well as holy and common runs throughout the law in Leviticus. It shows that God is indifferent about _____. All of life matters to God." - Mark Dever

- c. Jesus Christ transcends the Jewish priesthood because only He can _____ the sin of man and provide the salvation that will cure the sinful heart.
