

Divine Comfort

(Encouragement for Weary Saints)

2 Corinthians 7:4b-7

Introduction:

****If great spiritual leaders like Paul needed God's comfort in times of distress, how much more do we?***

To what extent does God bring comfort? How does He bring His comfort to His children?

- I. God comforts His children even in the midst of tribulation by His uplifting power (v.4b-5)

- II. God comforts His children through the presence and fellowship of fellow-believers (v.6)

- III. God comforts His children through the good report of people we are concerned about (v.7)

It is encouraging to see other believers have...

 - A. A longing desire to make things right

 - B. A mournful repentance of sin and the breach it caused

 - C. A zealous attitude to reestablish broken relationships
