III. WHO: v31-32:

With the Houses of Israel and Judah

Who **broke** my covenant again and again!

So how will this new covenant be different?

- What He does _____ them: **forgives**
- What He does _____ them: **transforms**
- What He does _____ them: **new relationship**

But someone must fulfill the conditions of the covenant—

This covenant is **new** in that God makes it with His Son:
The One True Israelite, the Second Adam Who

- Keeps all the conditions: see 11:4b-5
- Suffers all the curses in their place: 11:3

Jeremiah is pointing ahead to the True Ark
The True King

The True Covenant Keeper for us

Only one ever fulfilled that: **Jesus**: Immanuel

The true Son of David

The Priest Who offered Himself the Final Sacrifice
