

## **“Blessed are the Shalom-Makers”**

### **Exodus 20:15**

#### **Introduction:**

**Proposition:** “*The earth is the LORD'S, and the fulness thereof; the world, and they that dwell therein*” (Psalm 24:1). At the same time, He has created us in His own image and this includes the exercise of rule or dominion over all creation (Genesis 1:26-28). We were created with the freedom and ability to take, form and fashion things for His own purposes and glory. We are the managers of God's resources and are responsible not only to do all things for His glory (1 Cor. 10:31), but also to encourage one another to do the same.

**I. All that we have is from the Lord (grace)**

**II. We are called to be good stewards of God's grace**

**III. “It is required in stewards that one be found faithful” (1 Cor. 4:2).**

#### **Conclusion:**
