

WELCOME

We extend a warm welcome to all of our visitors and pray that you will be spiritually blessed by this conference. You will find copies of the Psalter from which we will be singing in the foyer.

Please visit our book table, which is also located in the front foyer. Copies of all of Rev. Roberts' books are available for sale, as well as a selection of other works.

OUR CHURCH

We are a part of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government and practice are available on the book table and in the church library.

Tomorrow Rev. Roberts will be preaching on:
