

## **“You Are Not Alone”**

**Acts 18:1-17**

### **Introduction:**

**Proposition:** Christ, through His Word (the Gospel) and Spirit, transforms His enemies into beloved children and gathers them together in common union (the church) to fulfill His glorious purposes. We who have been reconciled to God are entrusted with this life changing Word and are called to help one another to promote and protect the same (1 Timothy 3:15). How can you come alongside a brother or sister in Christ to help them to fulfill this calling?

**I. Lift up your eyes and behold your co-laborers in Christ**

**II. Many hands make light Kingdom work**

**III. If Christ promised to be always with us, who can stand against us?**

**Conclusion:**
