

Whole Bible Christianity and Homosexuality
Romans 1:18-32

Mac Williams, Pastor
September 30, 2012

1. The core issue of _____ and the consequences God decrees.

- a. At its root, sin is an exchange of the _____ of God for something else.
- b. In judgment, God gives people over to the _____ they have chosen over Him.
- c. Sinners _____ the consequences they deserve in their bodies and perverse behavior.

2. Facts about homosexual _____.

- a. It is a _____ not an orientation. No one is "born gay".

"The implication is that however grievous is fornication or adultery the desecration involved in homosexuality is on a _____ plane of degeneracy; it is unnatural and therefore evinces a perversion more basic." - John Murray

- b. The homosexual movement is fundamentally a resistance against the _____ and His law.
- c. The widespread endorsement of homosexual behavior signals a _____ for society.

*"When a _____ turns against God, He will endure them for only so long; He will eventually turn a God-denying culture over to its own base desires."
- Christian Citizen*

- d. Homosexual behavior should not only be denied civil rights, it should rightfully be considered a _____.

3. The _____ that God provides.

- a. Christians should show kindness and concern but not _____.
- b. Jesus Christ died to save _____ of all sorts.

"When responsibility for homosexuality is removed, _____ for homosexuality is also destroyed. ... Because homosexuality is sinful, there is divinely guaranteed hope for its reversal. Christ came to die for sinners and to deliver them by His Spirit from their sins." - Greg Bahnsen
