We encourage everyone to quietly prepare his heart for worship before the beginning of each worship service, as this befits the glory of the God with whom we meet.

There is a meal following the morning worship service. We cordially invite our visitors to join us in this opportunity for Christian fellowship and spiritual conversation.

Offerings are collected on the literature table.

OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
